

# ***Loving Chloe Grace***

## **Chloe Grace Viana was born on April 21, 2010.**

Chloe Grace and her parents live in Bradley Gardens. Chloe Grace was born with Spina Bifida. She had surgery the day after she was born and will need special medical care and additional surgery in the future. The Elizabeth Ministry at Holy Trinity (a/k/a the "Frozen Pizza Ladies") ask for your prayers for Chloe Grace and her family. We are called to follow the words of Jesus to "Love one another as I love you." (John 15:12) How can we as a parish family, continue to show our love and support for the Viana family, as they cherish God's greatest gift, Chloe Grace, yet face a mountain of medical bills? While we still offer our prayers for little Chloe, we can also show our support for Rosalia and Alex by contributing to alleviate their financial situation. During the month of June, please consider making a monetary donation to this young couple to help pay their medical bills. Gift boxes will be at all church exits to receive your donations or any personal message you may wish to convey. Checks should be payable to Rosalia and Alex Viana.

Thank you for your prayers and support!

Together we can be a loving parish family for little Chloe Grace.

*Here is a Thank You message from Chloe Grace's Mom & Dad:*

*We would like to express our sincere and heartfelt thanks to the ministries, clubs, and parishioners of Holy Trinity for their prayers and support. In December 2009, we learned from an ultrasound that our first-born child would be born with Spina Bifida. On April 21, 2010 our daughter, Chloe Grace, was born. The very next day, she underwent 5 hours of neurosurgery. Our journey is far from over, as Chloe needs extensive medical attention. However, she is recovering well from the surgery, and she has an incredible disposition of tolerance and acceptance. We know she is a miracle, and we feel very blessed to have been literally enveloped in prayer. God has comforted us, given us courage, and graced us with a beautiful daughter. He has also surrounded us with loving family, friends, and community. We are so glad we did God's holy will by choosing LIFE for Chloe Grace. Please keep us in your prayers, and thank you again for the outpouring of love and support. We are truly blessed!*

Sincerely,

*Rosalia and Alex Viana*

*"Love one another as I love you."*
